

JERSEY SPARTAN ATHLETIC CLUB

Hi members

21st June 2008

Club Championships – Sunday 29th June from 10am

Don't forget it's the Club Championships next Sunday and entries should be sent to my home address by Thursday. I will accept entries at the higher cost of £8 after Thursday but only until 12.30pm on Saturday. THERE WILL BE NO ENTRIES ON THE DAY!!!!!! as we are all so busy getting prepared for the Championships. All entry forms etc are on the website. Please note that there is a 5000m race at 12.15 so the championships are not only for the Track and Field athletes. If you would like to help out at the Championships I would be very grateful as there are many roles that need to be filled to ensure the smooth running of the event. Just give me a call on 722377 and let me know what you'd like to help with.

Track Safety

Track safety is very important at events like the Club Championships as there are very young children taking part in the little brother and sister race in addition to javelins etc being thrown. Please do not let your children run around on their own and stay away from the inside of the track. Spectators should stand behind the barriers. More track safety information is on the website.

Email addresses

This is the first year that I have sent the forms by email to members but I am aware that there are still quite a number who have not provided us with their email address and therefore will not receive the information to enter competitions etc. I would therefore like to ask for your help in spreading the news that all members need to provide Richard Milner, the Membership Secretary with their email address. He will then pass it on to Richard Davy, the Web Manager who will ensure that all information is sent to the email address.

The Noel Multi-Event – Thursday 17th July from 6pm

Please note that entries for this competition are due in by Thursday 10th July. Entry forms etc are on the site. This is a good opportunity for members to try events that they do not usually compete in. You may find that you like an event that you hadn't considered taking part in before. All abilities are welcome so please do not feel that you need to be good at an event in order to take part in it.

Membership

It has become clear from the forms that the Membership Secretary has received that some members are unsure of whether they need to pay a track fee or affiliation

fee etc so I have produced the attached notes which I hope will answer any questions that you may have. If you have already sent in your form but have omitted to include any fees or anything else that is required, please contact Richard Milner on milner@jerseymail.co.uk

Fundraising Committee

The cost of sending athletes away to enable them to have a good level of competition is forever increasing. The Jersey Spartan Executive Committee have therefore decided that the time has come to ask parents if they would be happy to set up and run a fundraising committee. Please therefore contact me on 722377 if you are interested in helping out and once I have sufficient names, a meeting can be arranged at the clubhouse.

Vacant Positions

We are still looking for a statistician to keep track of any records broken etc and a Clubhouse Manager to ensure that the clubhouse is kept clean and any repairs etc are carried out. Please contact me on 722377 for more information if you are interested in either of these roles .

Kind regards

Karen Dingle
