7th	Mixed Bag	13.28

A record 92 runners took part in the finale of the **Advisa Cross Country** series took place last Saturday at Le Braye on the sand dunes. This race was a relay consisting of four children entered into four age categories, Girls and Boys 7-8 and Girls and Boys 9-10. The course consisted of a meandering anticlockwise loop of about 1200 metres with the start and finish near the car park at Mont a la Brune.

Each runner in the team ran one lap before handing over by touch to the next runner. There were twenty two teams entered and on the day a mixed team of four unallocated runners was entered at the last moment.

Eleven teams in the 7-8 age group ran first and the Boys team "Thee Class Cool Runners" soon established a lead which they maintained to the finish. In the girls race the lead changed hand several times, with the "Storm Chasers" leading the girls' home.

Twelve teams took part in the 9/10 age group and the race was well won by the Boys team "The Racers ". Outstandingly the second team home was the girl's team the "Runner Beans" who just held off two boys' teams by two seconds.

After the race Trevor Griggs from sponsors **Advisa** presented medals to the four winning teams and spot prizes of cinema tickets. He also announced that **Advisa** were pleased to continue the sponsorship for another year.
