

Mission statement for Jersey Spartan Athletic Club

To increase the capacity of athletics in Jersey and improve performance in every event at every age group.

To do this:

Increase recruitment: attract more athletes, coaches, officials, administrators, sponsors and supporters to the sport

Raise standards: provide support to enable athletes, whatever their level, to improve their performance and for others who serve the sport to achieve excellence in their fields.

Retain involvement: deliver quality services and demonstrate appreciation of those who contribute to the sport.

Build profile: by being successful at the highest level; communicating to increase the presence of the sport, enhance the image and inspire new interest from the public.
